ABOUT OUR ENDORSEMENTS

Endorsements are made not because any candidate is perfect. Romans 3:23 says all have sinned and fall short of the glory of God. Some are endorsed because they responded positively to our Values Voter guide survey. Click [HERE](#) to see that. Some are endorsed because knowledge we have indicates they will be an ally although they didn't fill out our survey. Some are endorsed because we know they will advocate more effectively than their opponent. In every case, we are endorsing to ensure that pro family, pro life policies will be most strongly represented.
