

Thanks, Staci! Yep, we've got another little girl – she just turned 4 months.
I hope you had an awesome summer!

No worries – that's what we're here for.

Do you want me to keep the Nov 1st release (Elusive Samurai Vol. 3) on this order?

I've got that one future pub on the current quote; and those 3 recommended replacements were already included on it too. If all those are good, then the quote is ready as it stands.

If you'd like to remove 'Elusive Samurai, Vol. 3', we can do that easily enough when you call to confirm the order.

Cheers!

~Renee

Thanks! I hear congrats are in order for you again - how exciting!

I didn't realize some were future pubs - sorry about that. I'll tuck those on a list for later.

Let's add the last 3 titles to the quote (Homefront, This Book is Gay, and Dragon's Promise) and not worry about the others right now.
When it's ready I can call with my p-card info - thank you!
