Subject: Protest of Insufficient Signatures for KPB Initiative Petition 2024-01

Dear Mayor Peter A. Micciche,

This letter is to Inform you of my filling of an Official Protest of Insufficient Signatures for KPB Initiative Petition 2024-01. I am in receipt of notification from KPB Clerk Michele Turner that she has determined that 258 signatures were deemed incomplete, or names were not in the same form as they are on the State of Alaska voter registration rolls – KPB 4.130.030 and 4.130.100

I officially protest that determination & request access to copies of the rejected 258 signatures to perform an audit of the insufficiency of the 258 signatures. Myself & my co-sponsor for KPB Initiative Petition 2024-01 need to be able to audit the 258 rejected signatures. Thank you.

Sincerely,

*Duane F. Edelman 1/24/25*
