

REQUEST TO SANCTION AND CENSURE U.S. SENATOR LISA MURKOWSKI

To: Alaska Republican Party State District Chairs
Date: January 30, 2025

Dear Honorable ARP Leaders,

In the 2024 General Election, 55% of Alaskan voters validated their trust and support of President Donald J. Trump's leadership vision mandates by re-electing him President of the United States of America.

Senator Lisa Murkowski has repeatedly publicly denounced and ridiculed President Trump¹, even though Alaskan Republicans voted overwhelmingly in support of him during the Presidential Preference Poll and the November 5, 2024 election.

Senator Murkowski publicly endorsed, supported and campaigned for the democrat candidate for US Congress in both the 2022 and 2024 elections² to the public humiliation and embarrassment of the Alaska Republican Party and their endorsed Republican candidates.

Senator Murkowski voted against Trump's nominee for Secretary of Defense, thus undermining President Donald J. Trump's mandate, and has a voting record that frequently aligns with Democrats³.

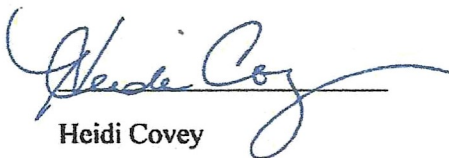

Senator Murkowski's vocal and active support for Ranked Choice Voting⁴ directly contradicts the Party's established position on fair and transparent elections (Platform Principle #423). *SLG RW*

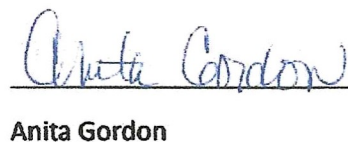

Senator Murkowski's actions are blatantly disrespectful and insulting to the Alaska Republican Party and disregard the expressed values of her constituents, undermine trust in the ARP, and breach her obligation to uphold the ARP's platform and principles, thereby constituting grounds for sanction or censure under Article VII, Section 1(a) and 1(f) of ARP rules:

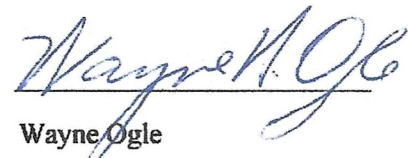

Any candidate or elected official may be sanctioned or censured for any of the following reasons: (a) Failure to follow the Party Platform and (f) Engaging in other activities that may be reasonably assessed as bringing dishonor to the ARP.

Therefore, in accordance with Article VII, Section 2(b) we three registered Republican District 8 constituents and members of the ARP affiliate Republican Women of the Kenai, submit this letter of written complaints against Senator Lisa Murkowski and request that the Alaska Republican Party separate itself from Senator Murkowski immediately and permanently sanction and/or censure Senator Lisa Murkowski, declaring her ineligible for endorsement or support by the ARP or its affiliates in perpetuity, prohibiting participation in ARP events, and every other appropriate sanction not disallowed by ARP or RNC Rules.

Respectfully submitted to the ARP District Chairs this 30th day of January, 2025.
