Alaskan Party
Attn: Robert M. Bird

Anchorage, AK 99516

Dear Mr. Bird:

I have reviewed the Alaskan Party application for recognized political party status and find it to be sufficient. The Alaskan Party is now a political group.

The Division of Elections will be revising the voter registration statistic report to include the Alaskan Party. Additionally, the Division will be revising voter registration forms to include the Alaskan Party under political groups. Voters who wish to be affiliated with the Alaskan Party can write the name of the group on the political affiliation line in box 13 of the voter registration application.

Once the Alaskan Party reaches the number of voters required of a recognized political party, the Division of Elections will contact you in writing. Under AS 15.80.010(27), a political group becomes a recognized political party if it has at least 5,000 registered voters.

Sincerely,

A handwritten signature in blue ink, appearing to read "Carol Beecher".
